(Consultant) who are referred to under this Amendment as "Party" and collectively as the "Parties".

WITNESSETH

WHEREAS, Consultant was awarded Agreement No. 47528C by the Board of Water and Power Commissioners (Board) on August 27, 2019, for a term of three years with a cumulative amount not-to-exceed \$14,000,000 to provide Engineering Design Services for the Owens Lake Master Project Steps 1 and 2, and Other Projects; and

WHEREAS, the Agreement was executed on September 9, 2019, and scheduled to expire on September 8, 2022; and

NOW, THEREFORE, BE IT RESOLVED that for good value and consideration, including mutual exchange of promises, the Parties agree to amend the Agreement as follows:

Article IV, Compensation and Payment, 4.1.1, Not-to-Exceed Amount, currently reads:

Except as herein amended above, all other terms and conditions of Agreement shall remain in full force and effect.

This Amendment No. 2 may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same amendment.
